

Civility Saves Lives

Working together to be at our best to make a difference.

Introduction:

This workshop draws on the principles of NWAS policies/procedures/campaigns (eg. Dignity at Work and Freedom to Speak Up), along with our NWAS Values, to shine a light on the importance of civility in the workplace.

Learning outcomes:

- Explore processes that protect us in NWAS
- Consider what is banter
- Explore when we get it wrong
- Understand healthy behaviour in the workplace
- Consider your next steps and the importance of being an active bystander

Who should attend?

All NWAS staff are welcome (also part of the induction for people with no line management responsibilities)

What will you need?

- With support from your manager, attendance at a virtual workshop via MS Teams (2 hours)
- A willingness to learn and share experiences with others in a safe environment
- Writing materials for activities and taking notes

Booking information:
